## NCS Spring Read-a-thon!

It's that time of year again for our spring fund raiser. We have had so much fun and success at our annual fall marathon that we have decided to have a Read-a-thon event. We are asking the students to get pledges for every minute that they read during this event. The students will have opportunity to win prizes for minutes read and for the pledges collected.

\* Look forward to the fun kickoff party on February 2nd.

\* The Read-a-thon will start with a book swap. Each student will bring in 4 books at their grade/reading level to swap with classmates. These should be books that you have already read and are willing to permanently trade.

\* Set a reading goal: we suggest a minimum of 10 minutes a day

or 300 minutes to qualify for incentives.

\* Get Pledges: Once you have a goal ask family, friends, neighbors if they will sponsor you for every minute read.

\* Read! Read! Read! Don't wait to get your pledges to begin reading, start on Feb 2nd!

The Read-a-thon will fulfill the second portion of your fundraiser commitment. This is a great opportunity to share wonderful literature with your children and spend quality time together as a family, enjoy!

## East Coast Tour

We are planning to travel to the East to discover our US history and heritage! We will visit the home town of Pastor David Reid - Philadelphia. The journey will also include Boston and NYC. Contacts are being made and plans are taking shape. Please pray that the Lord would have his way. April 17th is the target date. Parents and students need to prayerfully consider going, saving and preparing for this trip. Precious memories are made and relationships are solidified and spiritual ground is taken on these school expeditions.
